Yucca Notes and Events

Visit us at Dawg Days and at the Roosevelt County Fair!

Go to school prepared to tackle any project with Yucca.

Let Yucca help start off the school year right! With Yucca's iTeam, not only can we repair your computer, we can get your computer up and running in no time. Let the tech professionals take the wheel and handle the repair work.

Need those new school devices set up? Let the Yucca tech professionals set them up so they are secure. Mention this eNewsletter and we will give you \$10 OFF!

“Wow! We love our new Yucca Fiber Internet. It is unbelievable how fast the Internet is now. We are able to connect multiple devices with absolutely no problems. The installation process was absolutely painless! The crew who came out to install our services was AWESOME! I am amazed at how professional and knowledgeable the technicians are. The customer service that Yucca Telecom provided us is phenomenal! Thank you Yucca!”
