

Yucca News and Views

Coming Soon! STARZ Original

Blazing fast speeds

Thank You

We would like to extend our gratitude to our Plateau customers and invite you to join us in our newest TV service and enhanced Internet speeds.

Protect your PC against viruses, spyware, rootkits, and Trojans. A Free Antivirus Software that has proved to work as well as some of the paid for versions. Click on the link:
http://download.cnet.com/1770-20_4-0.html?query=panda+free&platform=Windows&searchtype=downloads and scroll down until you find "Download Now" next to the Panda Free Antivirus.

We are so happy we switched to Yucca TV. Everything about it is so much better than our previous provider. The picture and sound quality makes watching TV so enjoyable. Whole Home DVR is wonderful. There is absolutely no way we would ever go back to our previous provider. Thank you Yucca Telecom!

-Sherry Cooper
